

# Redemption Plan Reprise (E)

*Chorus (Ruth):*

**E**                    **C#m**                    **A**                    **B**  
I don't know what the future holds But You are holding me  
**E**                    **C#m**                    **A**                    **B**  
It's time to take the step of faith, a world of possibility  
**E**                    **C#m**                    **A**                    **B**  
So You lead the way, cuz today, hope outweighs all of my fears  
**E**                    **C#m**                    **A**                    **B**  
The future is bright, outta sight, I delight cuz I know that you have  
**E C#m A B**  
A Redemption plan

*Verse (Boaz):*

**E**                    **C#m**                    **A**                    **B**  
Dearest Ruth, The Lord loves you and it's clear you love Him too  
**E**                    **C#m**                    **A**                    **B**  
Your kindness is great, your heart is pure, your beauty is unmatched  
**C#m**                    **F#**                    **A**                    **B**  
Some come dear Ruth, God can use me, to step in and redeem!

*Chorus 2 (Ruth Melody, Boaz harmony)*

**E**                    **C#m**                    **A**                    **B**  
Cuz I don't know what the future holds, But I believe it's you and me  
**E**                    **C#m**                    **A**                    **B**  
It's time to this step of faith, a world of possibility  
**E**                    **C#m**                    **A**                    **B**  
And He'll lead the way, cuz today hope outweighs all our fears  
**E**                    **C#m**                    **A**                    **B**  
The future is bright, out of sight we delight, cuz we know that you have  
**E C#m A B**  
A Redemption plan
